THE CITY

Founded in 1838, Kansas City played a crucial role in western expansion, as well as a center-point for trade and commerce. This development led to Kansas City becoming the sublime metropolitan city it is today.

This city served as the hub of innovation and expansion for famous and beloved individuals. Walt Disney's first animations were created in Kansas City, where his Laugh-O-Gram Studio is located. Hallmark Card creator Joyce C. Hall expanded his business into the Crown Center of Kansas City, and many other famous innovators and business leaders have set up shop in the famed Crown Center.

Kansas City also boasts the second highest number of fountains in the world, second only to Rome (although it is rumored to have even more fountains than Rome). You can't go far without seeing one of its over 250 beautiful fountains.

DO & SEE

Kansas City is rich with museums and memorials that archive some of America's great historical accomplishments. The city also houses some of the most beautiful musical halls and theaters that will leave an awe-inspiring impression on those who enter. Crown Center, filled with shops, hotels, and attractions galore, should be a keynote destination for any visitor in this lovely metropolitan city.

Kansas City Power & Light District

Also known as Kansas City's Entertainment District, this district is home to many theaters, nightclubs, and restaurants. Located in the heart of downtown, the vibrant, 9-block neighborhood connects the Convention Center to the Sprint Arena.

DINING

stevendepolo (image cropped)

Some of the best barbecues in the nation is in Kansas City. With over 100 barbecue restaurants to choose from, there is no shortage of restaurants that serve authentic, urban, Midwestern, flavor.

Fiorella's Jack Stack Barbecue

Fiorella's Jack Stack Barbecue combines upscale restaurant scenery with a delicious soul food menu. Originally a simple smokestack BBQ joint, the competitive nature of the barbecue business prompted Jack Fiorella and his wife Delores to expand the restaurants horizons. This twist on that classic taste garnered them much success in the barbecue arena, and this mix of non-traditional menu items (such as BBQ fish and BBQ steak) with that traditional Kansas city flavor is well worth the visit.
