Sitting near the confluence of two great North American rivers — the Mississippi and the Missouri — the St. Louis region has been a favored destination since Lewis & Clark began their historic westward discovery here in 1804. St. Louis is spread along 19 miles of the Mississippi River shoreline.

Dubbed the “Gateway to the West,” St. Louis welcomes its visitors with the world’s tallest arch (630 ft.) which was completed in 1965 as a monument to Thomas Jefferson and the westward expansion of the United States. The Gateway Arch is the centerpiece of the Jefferson National Expansion Memorial and has become an internationally famous symbol of the city.

## THE CITY

*Photo: Reading Tom*

St. Louis is a vibrant metropolitan city with unique entertainment and shopping districts in its various neighborhoods including The South Grand, The Delmar Loop, Laclede's Landing, Soulard, Cherokee Street, Lafayette Square and others.

Consistently ranked among the nation's most affordable and best places to live and raise families, "The Lou" offers many opportunities to watch or participate in a wide range of sports, recreational activities and cultural events. Named for Louis IX of France, the only canonized King of France, St. Louis is home to major league sports teams (Cardinals, Blues and Rams), the world famous Anheuser-Busch Clydesdales, a world class zoo and much more.

## DO & SEE

*Photo: Chris Yunker*

St. Louis boasts more major free visitor attractions than anywhere in the U.S. outside of the nation's capital. The Saint Louis Art Museum, Science Center, and Zoo, History Museum, Museum of Westward Expansion, Anheuser-Busch Brewery, Laumeier Sculpture Park, Citygarden and many other sites are open free of charge.

The Saint Louis Zoo, considered one of the finest in the world, was a pioneer in the use of open enclosures, placing animals in natural environments without bars. Marlin Perkins was the Zoo's most famous curator.

The Anheuser-Busch Clydesdales were originally a gift from August Busch to his father marking the end of prohibition. He presented his father with an eight-horse Clydesdale Hitch and a Budweiser beer wagon in April 1933. The team was sent to Washington, D.C. to deliver the first case of Budweiser beer brewed after prohibition to President Franklin D. Roosevelt.

## Gateway Arch

Don't miss the one-of-a-kind experience of taking an unusual elevator ride to the top of the arch where the views can't be beat. The visit includes the Jefferson National Expansion Memorial, the Museum of Westward Expansion and exhibits at the Historic Old Courthouse. There are plenty shopping opportunities including Levee Mercantile, a vintage store circa the 1870s that offers commercial products that were once available on the St. Louis riverfront in the 19th century,

## DINING

Photo: Cory Doctorow

St. Louis boasts a wide range of eating options from fine dining to the downright funky.

Whichever diner, café or restaurant you choose, you don't want to miss these local specialties.

A Slinger is a savory combination of eggs, hash browns, meat, chili and cheese. This Midwest specialty is a St. Louis diner standard and can be served in classic or creative styles.

The popular Goey Butter Cake was created in the 1930s when a local baker unknowingly switched the types of butter used in his cake recipe. This unique sugar-laden mix of butter, cream cheese, eggs and yellow cake is now a

namesake dessert.

Experience the other white meat with a St. Louis barbecue favorite, Pork Steaks. Whether you prefer it rubbed, brined, marinated or slathered in barbecue sauce, pork steaks are a must-eat when dining in St. Louis.

Another top-choice of the locals is St. Louis-Style Thin Crust Pizza. Topped with Provel cheese (a special blend of provolone), Swiss and a rare white cheddar; the Lou's special pizza pie will stand up with the best of them.

Toasted Ravioli is an undisputed St. Louis favorite. Filled with meat or cheese, this breaded and deep-fried version of the classic is best enjoyed sprinkled with Parmesan and a side of marinara.
