## THE REGION

*Troy Wegman/Shutterstock.com*

The Fraser coast region in the Wide Bay-Burnett region of Queensland offers an amazing diversity, from the stunning Fraser Island to Hervey Bay and the Great Barrier Reef are just some of the world-class attraction that attracts visitors to the region every year. When in Fraser coast one can experience the iconic Australian landscape, including the World Heritage listed natural wonder, amazing coastline, tranquil hinterland and the ancient rainforests.

The region is located about 250 kilometres (160 mi) north of Brisbane and centred on the twin cities of Hervey Bay and Maryborough but also includes Fraser Island. It was in fact not until March 2008 when the City of Hervey Bay merged with the City of Maryborough, Shire of Woocoo and part of Tiaro to form the Fraser Coast Regional Council. But the name came into common use in the early 1990s from a combination of Fraser Island and Cooloola Coast.

Whether you are after a calm holiday with sun and sea or a more active holiday the Fraser Coast offers the best of both worlds and when in Fraser coast there is no need to rush, the only pace required is laid-back and relaxed and just having fun.
