SherSS/Shutterstock.com

With over 300 days of sunshine a year, Townsville is a very popular destination for sun seekers and provides easy access to the Great Barrier Reef. Townsville is situated in the dry tropics region and is a gateway to the Outback, wet tropics rainforest, wetlands teeming with bird life and a number of tropical islands. Boasting a 2.5 km beachfront area, known as the strand, it is an exciting and vibrant city to visit.

THE CITY

autau/Shutterstock.com

Townsville is a vibrant region and offers everything from beautiful coastal towns to rainforests, the rough Outback and, of course, the area's biggest attraction, the Great Barrier Reef. The city itself offers a vast array of world-class bars, restaurants, hotels and shops. It also houses the world renowned Reef HQ, the world's largest living coral reef aquarium. So, whether you are up for a lazy holiday spent on the beach and browsing the city, or something more action-packed, you'll certainly find it in Townsville.

DO & SEE

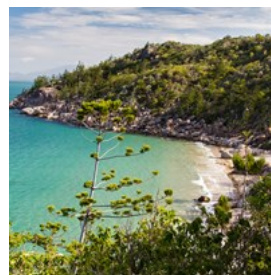

Stephen Gibson/Shutterstock.com

There is plenty to do and see around Townsville. Just off the North Queensland coast, and measuring in at a length of more than 100 metres, the wreck of the SS Yongala has been labelled one of the world's top-ten diving sites. Also, just 135 km to the southwest is Charters

Towers, a living history site, which was established during the gold trade in the late 1800's. Today it contains a number of superb historic buildings. For nature lovers and families there is Billabong Sanctuary with its wombats and koalas and the Reef HQ on Flinders Street. Culture is catered to at the Aboriginal Centre and at the National Heritage Complex in the West End.

Magnetic Island

Escape to a tropical island, nearby Magnetic (or "Maggie" to locals). The island offers a wide range of activities for a perfect day off. Hop on

the ferry and spend the day swimming, sun bathing or simply relaxing at one of the many beautiful bays or beaches on Magnetic Island.
