Lambros Kazan/Shutterstock.com

Byzantine churches, Roman constructions, Muslim buildings, modern architecture, intensive nightlife and stunning beaches - this is the essence of Thessaloniki. Being the second largest city in Greece, Thessaloniki combines more than 2,300 years of history with every facility and excitement that a modern European city can offer a visitor.

## THE CITY

Yuliy Vasilev/Shutterstock.com

Thessaloniki is the capital of the region Central Macedonia and it was first established in 316 BC by Kassandros and named after his wife, Thessalonike, half-sister of Alexander the Great. The name Thessaloniki means "Thessalian Victory". It was the second most important city of the Byzantine Empire, next to Constantinople. Thessaloniki is a town with rich history and an exciting present.

The city is bustling with life and movement. Large avenues, parks and squares provide nice green spaces, and trees line the commercial streets. There are old houses and Neoclassical buildings that stand side by side with modern constructions. The people of Thessaloniki are known for their friendliness and hospitality throughout Greece.

The city is also known for its great cuisine. No one can resist the tasteful sweets, delicious pies, or numerous taverns that offer special Greek dishes. No one can resist a town like Thessaloniki!

## DO & SEE

saiko3p/Shutterstock.com

Thessaloniki has many historically interesting sights reminding us of past times. The White Tower still stands tall. It was once a part of the ancient walls that protected the city, and they have also survived several earthquakes.

The romantic alley ways and streets makes Thessaloniki a perfect destination for couples in love.

### The White Tower

The White Tower is a widely known symbol of the city and a point of reference for locals and visitors. It stands next to the sea front of the town as a reminder of old times. In the 19th century it was a prison and nowadays it's a museum of art and history.

Photo: Lambros Kazan/Shutterstock.com

Address: White Tower, Thessaloniki

Opening hours: Mon - Sun 8:30am - 3pm

Phone: +30 2310 267 832

Internet: [www.lpth.gr](http://www.lpth.gr)

### Ladadika Quarter

The area from Koudouriotou to Diamanti streets and from Hiou to Lemnou streets is known as Ladadika. This is an old quarter, with narrow pavements and neoclassical buildings. Here you will find plenty of bars, restaurants and the Museum of ancient Greek and Byzantine instruments.

Photo: BalkansCat/Shutterstock.com

Address: Ladadika, Thessaloniki

### Aristotelous Square

This is the most impressive square in Thessaloniki. It features buildings with great architecture inspired by European and colonial models, cafés, shops etc. This square is where big celebrations take place, such as the coming of the New Year, it is also a meeting place during the day.

Photo: Lambros Kazan/Shutterstock.com

Address: Aristotelous square, Thessaloniki

### Saint Dimitrios Church

The church of the patron saint of the town is a must see in Thessaloniki. The first church of Saint Dimitrios was built in 313 AD. It was completely rebuilt in 1948, according the original plans since it has been destroyed twice by fire.

### Airport

The Macedonian airport, at the area of Mikra, is the second largest airport of Greece and is linked with most destinations of Europe and the Balkan countries. To get from the airport to the centre of the town will take you from 20 to 45 minutes, depending on the traffic. You can go to the centre of Thessaloniki using bus number 78. It runs every 45 minutes and it takes approximate 45 minutes.

### Public Transport

You can cover most of the distances in the city by foot or using the local buses. Tickets can be bought either at the kiosks or from the vending machines on the bus. If you buy the ticket on the bus, remember to have coins. All

tickets must be validated and are useable for 70 minutes. Different kind of day passes are also available.

### Pharmacy

Each pharmacy in Thessaloniki has a notice in the window showing which ones are open out of normal hours and their addresses. Wherever there is a doctor you may see a sign with a cross most of the times. On some signs, there are also phone numbers to the emergency room.

One pharmacy can be found on the following address:
